

## It's everything you love about TV...and more!

CCiTV is a one-of-a-kind TV service so advanced, you'll never go back to cable or satellite TV again. CCiTV offers everything from **local channels, to news and sports, to movies and music** – and gives you the flexibility to watch on a **TV, computer, tablet or phone**. You decide whether or not you want CCI to provide a set-top-box with voice control remote, or save a few bucks and access CCiTV through popular streaming devices including Amazon Fire TV and Apple TV.
